GEN. & REV. SECTT. 5079
22 APR. 1931
... G. & R. BRANCH

SIR,

I have the honour to state that the Comptroller in his letter No.L.A.D.819 dated 2nd May 1930 remarked that the Chairmen of the Village Panchayets were not sending to the Amildars every month a copy of the day book as required by rule 11 (vide page 39 of the Manual of Standing Orders under the Village Panchayet Regulation) with the result that the Taluk Offices were not in a position to know what the unremitted amounts out of the collections were, and what were the unspent balances out of the amounts drawn from the Treasuries at the end of the month. As there are at present no columns provided in Village Panchayet ledgers (forms Nos.4 and 5) for recording the payments and receipts of each panchayet under several heads, and for noting unremitted cash on hand and unexpended amount out of that drawn from the Treasury, the Comptroller suggested the opening of a new column in form No.4 as column No.15 entitled "unremitted receipts" after the "total" column and a similar new column entitled "unexpended drawings" in form No.5. He also suggested that the accounts in these ledgers should be closed every month showing the opening and closing balances of each Panchayet to know the financial position of each panchayet.

The Deputy Commissioners of Districts were consulted in the matter, and all of them except the Deputy Commissioner of ~~Kolar~~ Kadur, are in favour of adopting the Comptroller's suggestions. The Deputy Commissioner Kadur states that there are certain difficulties such as want of pos[illegible]cilities illiteracy on the part of the

part of the members of the Village Panchayets, some Panchayets having no Secretaries etc., which are in the way of submitting the copy of the day book in time.

As regards the opening of new columns in forms Nos.4 and 5 the Deputy Commissioner states that confusion is likely to arise if both of these have to be accounted for in the Taluk Office, and that the existing arrangement of insisting on the chairmen to have the figures entered in the ledgers before crediting or withdrawing the amounts seems sufficient.

I do not consider that the inconveniences mentioned by the Deputy Commissioner, Kadur are in any way serious. The opening of the new columns suggested by the Comptroller does not add to the existing inconveniences, if any. All the other Deputy Commissioners agree to the insertion of the columns suggested by the Comptroller. Agreeing with them I recommend that approval of Government may be kindly obtained for the revision of the forms as suggested by the Comptroller.

Copies of the Kadur Deputy Commissioner's letter No.L.Dis.2491-30 dated 14th February 1931 and Comptroller's letter No.L.A.D.919 dated 2nd May 1930 are herein enclosed for reference.

I have the honour to be,

Sir,

Your most obedient servant,

Revenue Commissioner.

Letter No.819/L.A.D. dated 2nd May 1930 from the Comptroller to Government, to the Revenue Commissioner in Mysore.

I have the honour to state that the Chairmen of the Village Panchayets are not sending every month to the Amildar a copy of the Day book as required under Rule II of the Rules issued under Notification No.L.4346/L.B-26-26-127 dated 6th January 1927 and the Taluk Office is not in a position to ascertain what the unremitted amount out of collections and what the unexpended balance out of amounts drawn from the Village Treasury at the end of each month is. There is no provision made in Village Panchayet Ledgers in Form.Nos.4 and 5 which are required to be maintained in each Taluk office, for recording the receipts and payments of each Panchayet under several heads for noting unremitted cash in hand and unexpended amount out of amounts drawn from the Treasury. With a view to ensure that the Panchayets properly account for all the amounts collected and drawn for expenditure, I think it necessary to open a new column 15 after Total, entitled 'unremitted receipts' in Village Panchayet Form No.4 and similarly a new column 15 entitled 'unexpended drawings' in Form No.V.P.5.

2. In these ledgers there is no provision made at present for noting the opening and closing balance for each month in respect of each Panchayet. The taluk Office accounts (the ledgers) donot therefore at present exhibit the balance of each panchayet in any month. It is very desirable that there should be a record of the balance of each Panchayet in the Taluk office. With this end in view it is suggested that the account of the Panchayet may be closed monthly either in Form 4 or 5 as under

Opening Balance.
Receipts.
Total
Payments
Closing balance.
Balance as per Savings Bank or Society's Pass book
Difference if any.
Reasons for the difference.

3. Please let me know if you are agreeable to the above proposals and if so, I request you to take action to revise the forms as above with the sanction of Government.

6

Letter No.L.Dis. 2491/30 dated 14th February 1931 from the Deputy Commissioner,Kadur District,to the Revenue Commissioner in Mysore.

With reference to your letter No.C.4258/29-30 dated 27th May 1930 requesting me to furnish my opinion regarding the revision of certain village Panchayet Forms as suggested by the Comptroller in his letter No.819/WAD.dated 2-5-1930, I have the honour to state as follows:-

The ruling that the chairman of a Village Panchayet should forward a copy of the day book to the Amildar for each month before the 5th of next month cannot be satisfactorily enforced in all the Panchayets for the following reasons:-

It will not be possible to expect a copy of the Day book regularly by the 5th of every month from all the Village Panchayets for want of proper postal facilities in every village. This will also cause delay in the compilation of the accounts in the Taluk Office. Illiteracy of persons in most of the Panchayets does not admit of the strict observance of this rule. Besides,there are not Secretaries for all the Village Panchayets with the result that much difficulty is being experienced in getting the important correspondenc work done by the Chairmen. Above all,there are different Patels in certain group Panchayets for different villages coming under the jurisdiction of the said group Panchayet. The figures of collection in the hands of different patels do not admit of the prompt posting of the Day Book and thereby of the prompt submission.of the copy of the same.

Regarding the opening of a new column entitled'unremitted receipts" and " unexpended Drawings" in Village Panchayet Forms 4 and 5 respectively,confusion is likely to arise if both of these have to be accounted for in the Taluk office. The existing arrangement of insisting on the Chairman to have the figures entered in the ledgers before crediting or withdrawing the amounts seems to be sufficient. It is desirable for inspecting Officer to check the figures on the spot with the figures as given in the ledger and issue necessary instructions where there are large deviations. In this

connection reference is invited to paras 5,6 and 9 of this Office letter No.A2.289-28 dat d 9-2-1929,addressed to the Revenue Commissioner.

As regards para 2 of the Comptroller's letter about the closing of the accounts of Panchayets every month the procedure suggested by him is being adopted.

C o p i e s.

For Revenue Commissioner.
